--

The responsibilities for this track meet must be shared by all schools. It is of the utmost importance, if this track meet is to be successful, that all schools handle their assigned duties. You MUST have the correct number of volunteers.

All volunteers will need to check in at the south end of the football field - table/tents.

High School Students are welcome to volunteer. Service hours will be given. I will sign paperwork at the end of their shift. Please have students provide paperwork.

Timers, scorers etc., should be ready 10 minutes before the start of their events. All field event workers should pick up their paperwork from the commissioner 20 minutes before the start of the event.
