

Special Note about 6th Grade Serving

September 11, 2007

Any 5th grader playing on a team in the 6th grade league will be allowed to serve from the “D” line (the line 6 feet closer to the net from the end line). All 5th graders playing in this league must wear some form of arm/sweat band (or any other clear means of identification) on their upper left arm to signify to the referee that they are in 5th grade.

Normal rules apply to all 6th graders.
